

# REACHING THE UNREACHABLE STUDENT

*Motivating Troubled Youth to Academic Success*

A power-packed seminar for educators, mentors and coaches. “Reaching the Unreachable student” can help to change the culture of your school, group or team with innovative techniques and tips to motivate and inspire the most challenging students. The focus is centered around ways for teachers and staff members to connect with students and build positive & appropriate relationships needed to propel even the most defiant or difficult students to improved behaviors and improved academic achievement.
